

APPOINTMENTS OVER THE SUMMER HOLIDAYS

As has been our policy over recent years, please be aware that it will NOT be possible to pre-book regular morning or afternoon Doctor appointments during the school summer holidays.

This will apply from 25 July - 2 September 2019

It will still be possible to pre-book appointments at some other times and these will be available online as well as via Reception.

Pre-bookable appointments are also available at other practices in the Amersham/Chesham area every day including weekends under the 'Improved Access' scheme - see our website for details.

Thank you for your understanding
