

FRIENDS OF RECTORY MEADOW SURGERY

Newsletter February 2015

Dear Friends

Please find enclosed a communication and booking form from our new Events Team leader Drene DeSilva who was co-opted onto the Committee in January and is bubbling with enthusiasm.

Committee Members

Also on the Committee are now long-standing reliable fundraisers Myra Webb [books & puzzles sales near Reception at the Surgery – which also serves as a promotional presence and draws attention to Friends]; and the Tombola experts May Payne and Betty Bennell who are reliable regulars at the Christmas and Easter Fayres. So together with Barbara Beeson, Janet Cussans and Graham Cook they now make up the Committee with assistance also from Rohan DeSilva.

At the Christmas Fayre held on 29 November, all the former Committee members were also around to lend a hand.

The cash raised or received in donations during the Autumn events was sufficient to pay for the new Blood Pressure monitor and software.

Future Events

25 February 12:00 luncheon at the Potter's Arms (see Drene's note)

28 March 2:00 PM Easter Fayre at the surgery

15 or 22 April 2:00 PM General Meeting at the surgery followed by speaker (to be confirmed)

Membership Renewals

You may be aware that we did not renew memberships at the October AGM as we have in the past, so we have decided to run memberships for each calendar Year. Accordingly, a 2015 membership renewal tear-off slip is included at the bottom of this page for your completion and return to Drene De Silva along with your purchase of lunch tickets or raffle tickets.
