1	<p><b>Matters Arising</b></p> <ul style="list-style-type: none"> <li>• NJH advised that whilst the Practice might welcome an increase in list size, only a modest increase could be accommodated within current staffing levels;</li> <li>• GP representation at meetings – The Partners preferred a rolling commitment to attend PPG meetings with each partner in attendance for 3 consecutive meetings each;</li> <li>• There is now a “subscribe to Newsletter” button on the website, allowing patients to sign up to be emailed the newsletter as soon as it is uploaded. CJP asked how many hits on the newsletter we had received. NJH to find out.</li> <li>• General observation that we appear to be “ahead of the game” when it comes to developing our PPG. Other Practices had virtual groups and only one other seemed as organised as ours. Some discussion about following the approach of the Simpson Centre in Beaconsfield.</li> </ul>	NJH

CCG also offering specific support to PPGs - ? what this support would involve – wait and see.</p> <ul style="list-style-type: none"> <li>• The CCG was also looking for patients to describe their experiences (both good and bad) at their AGM in Feb '16.</li> <li>• Bucks Urgent care (BUC) also want to set up a PPG – GC to forward their email to NJH for onward circulation.</li> </ul>	GC
4	<p><b>PPG Activities</b></p> <ul style="list-style-type: none"> <li>• The Practice website now has additional information regarding OOH providers and making the right choices out of hours</li> <li>• As above, patients can now subscribe to our newsletter</li> <li>• Health awareness weeks – long discussion about this – agreement to hold our first Health Awareness week on 14 July (an afternoon when the surgery is closed for training) and to allocate it to Carers. NJH to contact Carers Bucks. PPG to consider publicity.</li> <li>• St Mary's Church Fete – CJP had organized with the CCG to have a stand at the church fete on 20 June, to raise awareness of the PPG and encourage membership. Request for volunteers to help man the stall. CCG to have portion of presentation panel, with two side wings for Rectory Meadow Patients. PF raised the fact that we need something to attract people to our stall eg ?Guess the combined weight of the GPs?!, mini-quiz.
