Lifestyle Questionnaire

Welcome to your free NHS Health Check.

The questions you answer here and your blood test results will be entered into a calculator that will show your risk of heart disease and stroke over the next 10 years. The questions are asked because the answers directly affect your risk of having a heart attack or stroke. The information given here is confidential and will only be used by your GP surgery and the local Public Health department.

Name: _____ Date of birth: _____

Telephone/Mobile number: _____

		Yes	No
